From the Pastor to You

Hello Calvary Family! As we wind down from yet another challenging winter, we now look toward the new possibilities. Although the transition to warmer weather seems not to be progressing as swiftly as some would like, it reminds us that transition takes time. Everything is in Divine order. We know this reality but patience is a difficult response for many of us to grasp in the middle of our personal tumult. But we must remember that God is with us throughout all the seasons.

Psalm 103: 1-2, says, "Bless the Lord, O my soul: and all that is within me, bless His Holy Name. Bless the Lord, O my soul, and forget not all His benefits (KJV)." Notice that that before we are told to "forget not His benefits, the Psalmist twice encourages himself to "bless the Lord."

Many times we only want to bless the Lord when we receive His blessings, but the Psalmist, David, reminds us here that we are to bless the Lord with everything we have and the sum total of who we are now and in the future regardless of the circumstance. In fact, the focus is on our attitude to bless the Lord, not our reaction to receiving His benefits or blessings.

Next, the command is to "forget not His benefits." The majority of the benefits listed in this Psalm's entirely have nothing to do with material gain but encompass the ways in which the Lord blesses us with righteousness, mercy, renewed health, protection, forgiveness of sin, etc. When we think back on who the Lord has been to us, we discover that our lives are richer through the blessing of His presence. This revelation should make our desire for Him grow beyond wanting more, "stuff." Things depreciate, our bodies fade away, people transition out of our lives but our relationship with Jesus continues to flourish and renew daily as we walk with Him.

Yes, there may be fierce winters and rainy springs but when we open our hearts to the Son, we bloom in His light like a flower in the summer. So, as we move into changing seasons of celebration and transition this Spring and Summer I encourage you to bless the Lord with everything within you.

Have a great summer. We will see you in the Fall!

Senior Pastor

FAMILY CELEBRATIONS

On Sunday, May 18, 2014 we had our annual Congregation Meeting where Ministry Leaders presented their Annual Reports. Also, new Ministry Leaders: Calvin Forbes, Randy Topin-White, Monique' Abney-Dure', and Mark Farnell, were enthusiastically welcomed to help lead our ministry as a part the Servant Leader Team.

We celebrated out-going leaders as well such as Richard Akkinusotu who retired as the Finance Ministry Chair after 13 years and Franck Payen retired as the Worship Ministry Chair after 6 years. We are grateful for their service and look forward to serving with them in other ways.

Likewise we are excited to work with Cristobol Soto as the new Finance Ministry Chair and Lawrence Goanbei as the new Worship Ministry chair. God has always provided us with a great team to lead us. Praise Him from whom all blessings flow!

Congratulations to Rev. Nikita McCalister! She has been called to be the “Acting Pastor” of Bethany Baptist Church of Pawtucket. Her new ministry is Bi-Vocational and Part-Time, so she will still serve Calvary as the Ministry Development Leader on the fourth Sundays directing the Gospel Choir. She will also continue supporting the Young Adult and Women’s Ministries respectively. She began her new role on Sunday, May 25, 2014. Please keep Bethany and Rev. Nikita in your prayers as they journey together as Pastor and People.

Eleanor Demers' has returned home and can now walk with assistance. She will be 100 on June 15th. June Allen will celebrate her 90th birthday on June 9th. Happy Birthday!!

We thank God for all of our volunteers but this month we want to especially highlight the following person who goes above and beyond what she is asked to do: **Elizabeth Boylowlu**, Social Ministry Chair.

SOCIAL MINISTRY

The Social Ministry thanks everyone who contributes in all ways to our Fellowship Time after the worship service. Your donations are greatly appreciated. Our wish list includes:

MODERATOR

This time last year, I was honored and humbled to be asked to serve as Moderator of Calvary Baptist Church. As the title might suggest, filling the role is principally a matter of relying on the other Servant Leader Team (SLT) members and the respective ministry chairs and tending to other matters as they arise. This past year, Calvary has been blessed with some very strong Servant-Leaders and many other volunteers that have kept our various ministries running smoothly.

The SLT met monthly except for July and December. SLT meeting attendance was sporadic at first, but participation and enthusiasm has grown steadily as the year has progressed. As I've said at virtually every SLT meeting, the more participation we have, the more points of view are considered, and the better the SLT can serve the congregation. Over the last few months, I've been very pleased with the contributions of our members.

The SLT held an in-house 'retreat' on 29 March, attended by current members and prospective leaders. Pastor Jabulani led Leadership training, emphasizing the Law of Process—one of 'The 21 Most Irrefutable Laws of Leadership'. Included in that lesson: "Everyone's journey is different but when we follow God's process, we discover that we were made leaders for a bigger purpose." What's your purpose?

I welcome continuing into a second year as Moderator, as we continue to grow together and, hopefully, come closer to discovering our bigger purpose.

Respectfully submitted,
David A. Dromsky

CALVARY FINANCIAL OVERVIEW

Glory be to God who is good all the time. He has blessed us with a faithful congregation and friends of Calvary once again during 2013. Our total receipts for the year were \$238,428 and total expenses were \$237,093 leaving us with a surplus of \$1,335. Thank you for your faithfulness and especially our prayers for our continued ministries.

Envelope, open collections and fellowship tithes and offerings totaled \$147,063 for the year which makes up nearly 62% of our receipts. Other receipts are from collections of rent, building use and amounts we draw from our invested funds to help pay the operating expenses.

We have also been blessed by gifts from our far away Calvary members who have given us funding for capital projects and college scholarships to some of our youth. We have received a \$48,300 grant from the Champlin Foundation in December for external repairs/upgrades to the masonry, roof and windows.

It is important to remember that we need our members and friends of Calvary to continue to remain faithful so we can continue to minister to God's people through our ministries and that of South Providence Neighborhood Ministries who reaches over 12,000 needy people each year. In addition to our ministries, missions, and payroll associated expenses, we use contributions to pay the many expenses associated with our church home that totaled \$89,192 in 2013. We have reduced our building mortgage from \$350,000 in 2005 down to \$64,000 in 2014 with your contributions. The monthly payment is \$781 that we need to pay for the next twelve years. Please remember to continue to contribute to our building fund to help pay our mortgage.

Exciting things are happening at Calvary in 2014 and again we want to thank you so much for being part of our church family. Blessings to you and your family.

WOMEN'S MINISTRY

This year I continue to Praise God for the amazing women that are part of the Calvary Baptist Women's Ministry Family. I praise God for the connections that are being created as we look forward to doing missions work together, adopt a school and or family, retreats and together, studying God's word and serve one another as a team.

A few highlights from this year. This past February monthly meeting, the Women of Calvary got moving and educated with the best womens exercise, which was demonstrated to us by our fellow Calvary member, Wendy Fox. We left the meeting with imperative information and exercises we can continue to do at home. In March we had fellowship with Olney St Baptist Church for their Annual Spring Gathering with American Baptist Women's Ministry of RI. It was a great time. There was a play portraying Women of the Bible, great food, and a visit to Charlesgate Nursing Facility for the women to pass out travel sized toiletries. We enjoyed conversing and singing with the residents.

Looking ahead, (1). I have a connection with the Gloria Gemma Breast Cancer Center. I met with the individual for lunch and we dicussed great goals. One of the goals will be to include Calvary in events and information sessions at Calvary for Breast Cancer Awareness. (2). A surprise bridal shower, which took place the second hour of our May meeting, for one of our Calvary Women who will be going away to Jamaica to marry. We have several great opportunities to serve one another with our time and talents and through meals. We will continue to care for one another, support one another in good and bad times.

The connections being formed like this are missed by many of the women at Calvary, but have such a bigger impact than one can measure. I am praying this love for serving and love for the women will continue as we progress through the rest of 2014 and into the next year. I am praying we will learn more about how to build each other up and help each other show Jesus to each other in and to this fallen world.

Two of many ways to accomplish this desire will be, first, to continue our monthly meetings with women who love Jesus and have a heart for women's ministry here at Calvary and their greater community. We want to continue to plan events and execute them, have clothes swap, have exercise accountability, etc. and I truly hope to see other ministry moments like these spring up not always created by the Women's ministry but by ones that are simply from the women of Calvary that support the goals and desire of this church family. As always we love to come along side those who have ideas to help, support and encourage and advise them.

The second area would be in the area of the "older teaching the younger" here at Calvary and beyond. This may look like two girls going out for coffee, or four gals working on a cleaning project for a friend; it may be two or more women studying a book of God's word together, but ideally it is women teaching women how to love their Lord and serve Him daily. So it needs to be more than just coffee and chocolate. The goal would be that these relationships take on a more personal form as they grow to where two women are relating to one another in a way that they share their victories and their sorrows, they pray together and study together. To the younger I say be bold, ask, make a point to bring some alongside you. To the older, God has gifted you, He has called us all to be servants, share your ability to cook with another younger person, teach them how you study God's Word....such great things will come when we do this! I need this too.

In His Service,

Monique AbneyDure
Calvary Women's Ministry Servant Leader

MINISTRY DEVELOPMENT

This has been a blessed year! I have been able to serve God and Calvary Baptist Church using the gifts, skills and abilities that God has given me. I have been privilege to serve as an Associate Pastor responsible for Ministry Development. As the Ministry Development Leader I have had the opportunity to see God moving in the lives of so many people this past year.

Specifically, my role as Ministry Development leader has allowed me to lead the Gospel Choir during monthly worship services. The Gospel Choir has sought to make a joyful noise unto the Lord. The Gospel Choir has also accompanied the Pastor, Rev. Jabulani McCalister and Rev. Nikita McCalister at various preaching engagements at Ebenezer Baptist Church, in Providence, RI, North Scituate Baptist Church, North Scituate, RI and West Side Tabernacle, in Providence, RI.

I have helped to provide leadership and oversight for the Women's Ministry. We have some phenomenal women at Calvary Baptist Church who continue to serve with integrity and virtue. Many women supported me as the keynote teacher for the American Baptist Women of Rhode Island Retreat in January of 2013 at Canonicus. Also, in 2013 the women hosted a successful Women's Tea as well as Women's Day Worship Service lead by Dr. Sheryl Barnes. The women of Calvary elected its core leadership team as follows: President, Monique Abney-Dure; Secretary, Daphine Monroe; and Chaplain, Louis Kpawoe. In 2014 the Women's Ministry continues to participate in our regional American Baptist Women Ministry events and provide fellowship, prayer, spiritual enrichment and meaning under the passionate, enthusiastic leadership of President Abney-Dure.

The Young Adult Ministry continues to offer fellowship, friendship, discipleship and fun for all. Many of our young adults have participated in the "Keep the Fire Alive" Project of the American Baptist Churches of Rhode Island. They have gathered for Bible Studies, a Bowling outings, Game Night, and Movie Night. We have a great group of young adults and it is exciting to see their gifts affirmed as they become more emboldened to serve the Lord.

Finally, I have led Wednesday night Prayer Meeting and taught Bible Study. Also, I participated in leading and preaching during Sunday Morning worship and/or special services.

In summary, I consider it a privilege and honor to be able to join God where He is at work by serving as a willing disciple of Christ embracing the words of Isaiah in 1 Samuel 3:16, "Here I am Lord," send me.

CHRISTIAN EDUCATION MINISTRY

Early in August of 2013, at a meeting of all teachers/helpers a curriculum was adopted by the Department. It was decided that we began our study in the book of Genesis. The plan took us on a survey of the scriptures through the Old Testament, arriving at the Book of Matthew in time for the Christmas Season. Following Christmas, the life of Christ, and His ministry were the subject of discussion. Thus bringing us up to Easter. At this time, the website curriculum is being followed.

Activities:

Christmas Play/Musical

Christmas Party

Night Out—Movies-Son of God

Easter---Skit

A Day of Fun for children of all age groups was attempted late last Fall at camp Canonicus but was cancelled due to lack of adult supervision.

Conversion and Baptism

To God be the Glory, three children from this Department, professed faith and were baptized into the family of Christ. We praise God for their testimony.

Spiritual Fortification:

The Department purchased three Bibles and gifted them to students who needed them in an effort to strengthen their spiritual lives.

All children in the Youth Group are requested to take their Bibles to Church and to use them daily because it is the source of their strength.

Challenges Going Forward:

Prayers: We ask for prayers for this ministry; for the teachers, the children, and the families involved. May god help each group in their role to be faithful.

Re-establish Dedicated Age Appropriate Class Rooms: The need for dedicated age appropriate class rooms cannot be underestimated. It is the difference between what is taught and how it is taught. The space is available, the teachers are needed.

Teachers/Helpers are NEEDED: The Department welcomes helpers and teachers who believe that Jesus is the Christ, and who have prayerfully considered a calling to minister to youth and children.

Supplies: Stationeries, Chalk Boards, etc.

Thank you.

Prayerfully Submitted,
Sarah Kamara

BUILDING AND GROUNDS UPDATE

Well, Spring has finally arrived after a very tough Winter, much work is once again being done in and around our building.

The repair and restoration of the dome over the altar has been completed. The speckled gold coloration along with new and brighter lighting has created a brilliant new look to the dome; a welcome change after years of disrepair. This project was made possible by a \$5,000 bequest from the estate of Brenda Leach.

Also, throughout the Sanctuary, we installed brand new carpeting. A deeper red color was chosen in order to pick up the red speckles in the dome and the red highlights from the organ pipes. The new carpeting is actually close to the deep red of the original carpeting which is still in the balcony. This project was made possible by a \$10,000 donation from a former member. And, many thanks go out to our Building Manager, Rick Robison, who supervised almost daily both of the two projects above.

In the second floor children's classrooms, the very old and usually broken venetian blinds have been replaced by more modern vertical blinds. In addition, the old area carpeting has been removed and brand new clean area rugs put down in their place. In this instance, both the labor and materials were graciously donated by two member families.

Once again, our contractor, Jerry Smith is back at work on the exterior of the building. He is working right now on the southern exposure, the Stanwood Street side. The wooden window frames on this side take the most beating from the sun and wind driven rain. In addition to scraping, caulking, priming and painting the frames, in many instances the wood is so badly rotted that Jerry is actually rebuilding the frames with new lumber. Jerry is also replacing the existing cloudy, yellowed lexan with brand new, clear, non-yellowing material. As long as we keep up with some periodic repainting, the work that is being done will last a very long time. While he is up on the lift, Jerry is also inspecting and repairing slate roof and flat roof areas as needed. This project is funded by the \$48,000 grant from the Champlin Foundation.

In addition, over this past winter, our very competent plumbing contractor, Josh Driver, has been hard at work on our very large, very old, heating system. While we did replace the burners a few years back when we converted from oil to gas, and they are working famously, throughout the building there are various thermostats, zone valves, and steam traps that for a number of years have been stuck so that we have been heating areas that we don't need to heat around the clock. Some of these stuck valves and traps are actually buried in places that are not easy to get to, and we have spent a fair amount of dollars fixing this problem. About 90% of this work is completed, and by next winter we will have a much more efficient heating system throughout the entire building, and hopefully, a lower gas bill. **There was no special donation for this project. It was simply a matter of long deferred maintenance, and was paid out of our general fund made possible by your generous and faithful support.**

The Finance Ministry and our Treasurer, Sue Colantonio would like to thank all those who increased their monthly contribution to the Building Fund to help pay the cost of the mortgage. If you recall, a while back I gave a brief talk about how we could pay the monthly mortgage bill with a relatively simple method. If every one of the 100 or so active members would contribute an additional \$10 per month to the Building Fund, there would be an additional \$1,000 available to put towards the mortgage. From the numbers I've seen, only about 25 members have taken up this challenge. So, consider this a friendly reminder that an additional \$10 each month, if given by the majority of the members, will really go a long way.

Finally, many thanks to all those who have donated their time, their talents, and their treasure over these last few months in support of these projects and others. Our efforts are beginning to pay off in very visible results. Thank all of you very much.

Sincerely,

Stephen Gaulin,
Building and Finance Committee Member
